The Vestry's Stewardship Covenant with Calvary

Your vestry developed this Stewardship Covenant using a process of spiritual discernment and seeking divine guidance through Scripture and prayer. This covenant reflects where we feel God is leading us as a Vestry. We make this covenant among ourselves as a vestry and with God as we serve the parish. We pray that all members will prayerfully reflect on our invitation to you within this covenant.

WE BELIEVE that God will provide us with what we need. We have faith that God will show us how to use and share our resources with others. *(Continues)*

WE COMMIT to reflect prayerfully as individuals and as a community to listen to what God is saying to us, trusting in divine guidance. We realize that God values us and knows our needs as individuals and as the church.

WE INVITE all to join us in trusting in the promises of God to nourish, protect, and love us, meeting all our needs. God will provide us with the resources to serve our community and all creation; we invite all to join in stewarding these resources for the well-being of our community and the world.
